

First-Year Student Packing Guide

Use this checklist to make sure you have everything you need for your first year at Boston College. Students are encouraged to pack lightly for the fall semester, bringing essential items only. These are just suggestions, you should adapt this list to suit your own situation. To save packing and shipping, it might make sense to buy some of these items after you arrive. Additionally, consider packing for one season at a time and switch items during semester breaks.

TAKE IT
